Sicilian Garden

In a hot summer day, imagine yourself sitting in a Sicilian garden, surrounded by the sweet smell of jasmine and roses enjoying a refreshing lemonade...

Hi I'm Katia, a surface pattern designer and illustrator based in sunny Sicily.

I grew up in my grandfather's farm, surrounded by all sorts of animals and with a vast expanse of luscious fields as my playground. No wonder I love nature and all its creatures!

This love is reflected in my designs which often display floral themes, animals, and insects.

The collection Sicilian Garden conveys my love for my beautiful homeland where the hot, sunny days are the perfect excuse to sit in the garden and soak up the fragrant smells of flowers while sipping an ice cold drink...

Enjoy
